The redemption value will be as stated on the coupon, unless that value yields a final price for such item less than zero; if application of the redemption value yields a price less than zero, the coupon will be redeemed only for the amount that yields a zero price (our customer cannot net a cash credit or payout from a coupon purchase).
2. Paper coupons must be presented at the time of the purchase transaction. We will accept only coupons issued by the manufacturer of the relevant product or coupons that are printed in our weekly flyer. We will not accept photocopies of coupons.
3. Coupons are subject to advertised offer limitations and all other limitations and restrictions on the applicable coupon or product.
